DETAILED ACTION

Response to Amendment

The Terminal Disclaimer filed in the amendment received 5-12-2005 overcomes the examiner's double patenting rejection. **Hence claims 1-13 and 16-20 are allowed.**

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. This application is a Continuation of case 10-459374 (now patent 6,778,824).

The examiner compared the application to said patent and determined that a double patenting rejection was appropriate. The applicant responded by transmitting a Terminal Disclaimer to overcome the examiner's rejection. Hence all pending claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
